

# HUSREGLER/GENERAL EXISTING HOUSE RULES

## BEBOER INFORMATION

- Læs venligst de opslag, der bliver hængt op i opgangene, de kan indeholde meget vigtige beskeder.

## UDLUFTNING AF RADIATORER PÅ 2. SAL

- Det er beboernes pligt at radiatorerne altid er udluftet.

## METAL OG PLAST CONTAINERE – KUN RENT AFFALD

- Hvis der er madrester på emballagen, er det køkkenaffald og skal bortkastes i de store containere.

## AFFALD I STORSKRALDRUMMET

- Læs opslagene. Skulle der være tvivl, så kontakt Ib Strøm eller Sonni Rindom. Det skal være rent affald, ellers er det køkkenaffald.

## KØKKENAFFALD

- Køkkenaffaldet skal være pakket forsvarligt ind. Al mad affald skal i de store containere, også pizzabakker, kagekasser, mælkekartoner, m.m.

## HUNDE EFTERLADENSKABER

- Beboere med hund har pligt til at registrere den, og har pligt til at fjerne hundens efterladenskaber.

## TRAPPEVASK HVER ONSDAG

- Husk at tage dørmåtter ind onsdag morgen, det gør det nemmere for rengøringen.

## SNERYDNING

- Stil venligst cykler, barnevogne m.m. der ikke bruges hver dag ned i kælderens, så der er mere plads til at komme af med sneen ved indgangene.

## SPAR PÅ VANDET

- Hvis vandhanerne drypper eller toilettet løber, så skal det repareres hurtigst muligt.  
- En dryppende vandhane koster op til 2.500 kr./år  
- Hvis toilettet løber, kan det koste op til 10.000 kr.

## KONTORTIDER – TELEFON: 4243 1455

i NORMAL ARBEJDSSTID

- mandag 18:00-18:30  
- torsdag: 18:00-18:30

- **AKUT** ... eks. Sprængt vandrør – ring 5338 8442 el. 4068 2017

## RESIDENTS INFORMATION

- Please read the information that will be posted in the stairwells. They may contain important messages for you.

## BLEED THE RADIATORS ON 2nd FLOOR

- The residents are obliged to ensure that the radiators are always vented.

## METAL AND PLASTIC CONTAINERS, IT MUST BE PURE WASTE

- If there are leftovers to the packaging, waste must be put into the big kitchen rubbish containers.

## BULKY WASTE IN BIG WASTE HOLD

- Read the information in big waste hold. Any doubts about how the waste should be handed in, please contact Ib Strøm or Sonni Rindom. It must be clean waste otherwise it's referred to as kitchen rubbish.

## KITCHEN RUBBISH

- Kitchen rubbish must be packaged securely in closed plastic bags or the like. All rubbish must be put into the big kitchen rubbish containers, also pizza boxes - cake boxes, milk scrub tones or the like.

## DOGS DROPPINGS

- Residents with dogs are required to register it, and they also have a duty to remove dog droppings - pick it up.

## STAIR WASH EVERY WEDNESDAY

- Please remove your doormats every Wednesday morning, to make it easier for the cleaning company.

## SNOW CLEARING IN THE WINTER

- Please move bikes, buggies and other belongings into the basement, if you don't use it every day, to make room for the disposal of snow.

## SAVE ON WATER CONSUMPTION

- If faucets are dripping or toilets are running it must be repaired as soon as possible.  
- A dripping faucet can cost up to 2,500 DKK annually.  
- A running toilet can cost up to 10,000 DKK annually.

## OFFICE HOURS - TELEPHONE: 4243 1455
